

RECEIVES AWARD... Manny Borun (right), executive vice president of Thrifty Drug Stores, accepts the outstanding alumnus award from the University of Southern California's School of Pharmacy. The award was presented by William Ecome (left), president of the USC Pharmacy Alumni Association.

Alumnus Award Won By Thrifty Executive

The Alumni Association of the University of Southern California School of Pharmacy has honored Manny Borun, executive vice president of Thrifty Drug Stores, as its outstanding alumnus of the year.

The coveted award was presented at the association's annual awards banquet held last week in Los Angeles.

William Ecome, president of the USC Pharmacy Association presented the award to Borun, a 1926 graduate of the USC School of Pharmacy.

"Manny Borun has long represented the finest aspects of the profession of pharmacy and has lent his talents and abilities in helping the public become more aware of this vital community service," Ecome said.

Borun is a member of the Board of Counsellors of the USC School of Pharmacy, a

founder member and past president of QSAD, and a member of the American Pharmaceutical Association. During the past 14 years, the firm he represents has contributed nearly \$190,000 in complete scholarships to the USC School of Pharmacy which have assisted 42 outstanding students to follow a professional career as a pharmacist.

Seventeen students also received awards from the USC Pharmacy Alumni Association as did three graduates of the class of 1917.

Mary Wise menu and shopping guide

The crunch of poppy seed, the sweet juiciness of raisins plus butter, sugar, and spice make this loaf of Poppy Seed Raisin Bread irresistible. Make it with ease by using a frozen loaf of Bridgford ready to bake bread. Let the loaf thaw at room temperature until soft and pliable. Roll the dough into a rectangle and spread with goodies. Roll it up like a jelly roll; place in a bread pan. Relax as it rises and bakes. Enjoy the fragrant aroma of home baked bread coming from your oven without the work and fuss of making the yeast dough from "scratch."

POPPY-SEED RAISIN BREAD

- 1 loaf (1 lb.) Bridgford frozen ready to bake bread
- 1 tablespoon butter, melted
- 1/2 cup white or dark raisins
- 1/4 cup poppy seeds
- 1/4 cup brown sugar
- 1/4 teaspoon mace

LEMON ICING

- 1 cup sifted confectioners' sugar
 - 1/8 teaspoon mace
 - 1 1/2 to 2 tablespoons lemon juice
- Mix together sugar and mace. Add lemon juice to make desired consistency.

Tender pieces of zucchini and grated parmesan cheese are added to melba toasted dressing for an unusual filling for sliced boiled or baked ham.

Salads are gaining more popularity every year and main dish salads are replacing the hot salads in many Southern California homes.

To be classified as a main dish salad, it must incorporate all of the basic food needs and have enough substance to satisfy the appetite until the next meal. To accomplish this goal, the salad should include meat, vegetables and potatoes.

This main dish salad calls for marinated green beans, carrots, cooked meat and tater tots.

(Ore-Ida) tater tots are frozen puffy rounds of tender potatoes, mildly seasoned and partially pre-cooked. They take just minutes to brown before serving.

MEAL IN A SALAD BOWL
1 (16 oz.) package (Ore-Ida) tater tots
1 1/2 cups diced, cooked

meat — Lamb, Beef or Poultry

- 1 (No. 303 can) sliced cooked carrots
- 1 (9 oz) package frozen sliced green beans, cooked
- 1/2 cup French dressing
- 1/2 cup mayonnaise
- 2 tablespoons pickle relish
- 1 hard cooked egg, chopped
- Crisp lettuce

Bake or fry tater tots according to package directions until crispy. Pour 1/4 cup French dressing over carrots and remaining 1/4 cup over cooked green beans. Let stand in dressing 30 minutes. Combine mayonnaise, pickle relish, egg and blend. On crisp lettuce, arrange rows of tater tots, cooked meat, drained carrots and drained beans. Serve with mayonnaise dressing and crackers. Serves 4.

'Operation Paycheck' A Success

More than 1500 persons have been placed in jobs and removed from welfare rolls during the first month of "Operation Paycheck," a cooperative program between the State Department of Employment and the County Department of Public Social Services, according to Supervisor Kenneth Hahn.

Hahn cited a savings of approximately \$325,370 to taxpayers during the month of April through the program.

"Operation Paycheck" will continue through June. Specially trained County Social Workers are assigned to key state employment offices to counsel welfare recipients who are able and willing to work.

WITH EMPHASIS on placing recipients in steady (long-term) employment, social workers also counsel the worker on how to hold and advance his position after he goes to work.

This month approximately 100,000 employers throughout Los Angeles County are receiving circulars explaining "Operation Paycheck" and urging them to provide job opportunities.
